LIMITED BLADE EXPOSURE

- **Touch safe blade** requires no activation, simply pull through materials to cut.
- Exposed blade is **safely concealed** in an open cutting channel for easy use.
- **Premium stainless-steel blade** lasts over **2 times longer** than the leading competitor.
- **Wide channel opening** minimizes resistance and allows for a large range of cutting materials.
- **Blade guards protect** goods under cutting surface.

2X MORE*

FIBERGLASS-REINFORCED HANDLE

- **Symmetrical design** allows for right- and left-handed use.
- **Durable fiberglass-reinforced handle** withstands drops and tough work environments.

NSF CERTIFIED

- **Easy to sanitize** for hygienic safety.

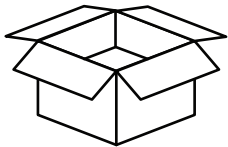

TAPE SPLITTER NOSE

- **Tape splitter nose** increases blade life.
- **Large handle loop** for added grip or tethering.
